Deputy City Manager Keeter reported that the Steelheads are a member of the Western Baseball League (Independent Minor League) and currently use the Sacramento City College Union Stadium as their home field. The Sacramento Steelheads approached the City of Lodi regarding the potential for bringing two pre-season baseball games to Tony Zupo baseball field as they are anxious to expand their fan base south of Sacramento.

A proposed agreement was presented which details the terms of the facility use of Tony Zupo field. The agreement requires the Steelheads to pay a daily rental fee of \$500 per day and \$250 per day for two City of Lodi employees to be present during each game. In addition, as per previous agreements with the Modesto A's and the Stockton Ports, the Boosters of Boys and Girls Sports (BOBS) will have the sole and exclusive rights to all food and beverage concessions.

Discussion followed with questions regarding the matter being directed to Mrs. Keeter by members of the City Council.
